Hi D,

Hope you are well.

I got a call about 333 S Virgil (Corner of Virgil and Geneva). Reports of late night activity by a group of guys making noise, drinking, and doing drugs. Hypodermic needles and beer bottles are reportedly left there almost every night.

Can you please have patrol keep a close eye on that area at night. The good neighbors of area would appreciate it.

Please let me know if you have any questions or if there is anything I can do to help.

Thank you,
